Commitment Statement to Child Safety

We are committed to a safe and nurturing culture for all children and young people in our Church.

The Catholic Diocese of Sandhurst (the Diocese) holds the care, safety and wellbeing of children and young people as central and fundamental responsibilities of the Church. The commitment is drawn from and inherent to the teaching and mission of Jesus Christ, with love, justice, and the sanctity of each human person at the heart of the Gospel.

We want our children and young people to be safe, happy, and empowered.

The Diocese has a universal expectation for the protection of children and young people. It is resolutely committed to ensuring that all those engaged in the Church promote the inherent dignity of children and young people and their fundamental right to be respected and nurtured in a safe environment. This is particularly so for the most vulnerable children, including Aboriginal and Torres Strait Islander children and those from culturally and/or linguistically diverse backgrounds and children with a disability, we welcome all children and their families, without discriminating based on sexual orientation, intersex status, or gender identity.

The Catholic Church has a moral, legal, and mission-driven responsibility to create nurturing environments where children are respected, their voices are heard and where they are safe and feel safe.

We have zero tolerance of child abuse, and all allegations and safety concerns will be treated seriously and reported in line with our legal obligations, our moral obligations, and our Church policies.

Creating child-safe environments is a dynamic process that involves active participation and responsibility by parishes, schools, families, communities, and ministries. It is marked by collaboration, vigilance and proactive approaches across policies, procedures, and practices.

We are committed to preventing child abuse and identifying risks early and then reducing or removing them. If you see something of concern, please let us know by contacting the Safeguarding Co-ordinator of the Diocese on 0438 951 010 or email childsafety@sandhurst.catholic.org.au.

Every person involved in the Catholic Church has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children is at the forefront of all they do and every decision they make.
